These lips can't wait to taste your skin
Baby no, no
And these eyes, yeah
Can't wait to see your grin
Ooh ooh baby
Just stay my love
Just let my love adorn you
Please baby, yeah
You gotta know
You gotta know
You know that I adore you
Yeah baby

Baby this fists will always protect ya, lady
And this mind oh will never neglect you,
Yeah baby, oohh~
And this thing trying to break us down
Don't let that affect us
No baby
You just gotta let my love
Let my love
Let my love adorn you
Ah, le-le-le-let it just adorn
You got to know
You gotta know
You know that I adore you
Just that babe

Oh, no ahhh
Let my love adorn you baby
Don't you let nobody
Don't you let nobody tell you different baby
I'll always adore you
You gotta know now
You got to know know know now

Oh yeah!

The same way that the stars adorn the skies yeah (at night)
Look up, suga
Oh, hey, hey, hey
The same way that my whole world's in your eyes (in your eyes)
Ohhh and it's time now

Just let, let my love
Ohhh~ baby
Hey! Le-le-le-let it just adorn
You got to know baby
Oh, you gotta know
Know that I adore you yeah
Oh, love ain't never looked so good no girl
Oh put it on baby
Let my love... adorn... you
