Kanye West

All day, nigga

(Dead, ayy, ayy ayy ayy)

All day, nigga

How long you niggas ball? All day, nigga

How much time you spent at the mall? All day, nigga

How many runners do you got on call? All day, nigga

Swish, swish, how long they keep you in court? All day, nigga

Take you to get this fly? All day, nigga

Tell your P.O. how-how long you been high? All day, nigga

You already know I'm straight from the Chi, all day, nigga

South, south, south side! All day, nigga

This 'Ye, nigga

Shoppin' for the winter, and it's just May, nigga

Ball so hard, man, this shit cray, nigga

And you ain't gettin' money 'less you got eight figures

For that Jesus piece, man, I've been saved, nigga

Just talked to Farrakhan, that's sensei, nigga

Told him I've been on ten since the 10th grade, nigga

Got a middle finger longer than Dikembe, my nigga, uh

I don't let 'em play with me

I don't let 'em talk to me no kind of way

Uh, they better watch what they say to me

Niggas still gettin' popped on the day to day

Yeah I still got the hundred with the small face, nigga

Might spend 50 racks on my off day, nigga

You a fake Denzel like the Allstate nigga

If you run into me, better have Allstate with you, uh

You a Rico Suave nigga

Ride around listening to Sade, nigga

If you ain't with us, you in our way, nigga

You an actor, you should be on Broadway, nigga

Cause you do shit the broad way, nigga

Your bitch got an ass, but my broad way thicker

Late for the class, in the hallway, nigga

Yeah, the dropout at it as always, nigga, as always
All day, nigga

Allan Kingdom

I took a young sweet breath, and I reached into my head
Gave him what I had left
At that moment I dispersed
At that moment I dispersed

Kanye West

All day, nigga
How-h-how long you ball? All day, nigga
How much time you spent at the mall? All day, nigga
How long it take you to get this fly? All day, nigga
Tell your P.O. how-how long you been high? All day, nigga
Pour some Hen out for my niggas that died, all day, nigga
And I keep a bad bitch on the passenger side, all day, nigga
You already know that I'm straight from the Chi, all day, nigga
South, south, south side! All day, nigga

I could do this all day, boy, I'm finna turn this bitch out
They need that Ye in the streets, boy, there's been a motherfucking drought
Don't really matter what I make, boy, you know I still go wild
Like a light skinned slave, boy, we in the mothafuckin' house
Right now, you lookin' real sus right now
I swear I've been on this flight like a month right now
Stupid niggas gettin' money, Forrest Gump right now
Shout-out to Jackie Chan, I need to stunt right now
They've been lookin' at the Gram, I've been lookin' at the Grammys
Like, woo, that's us right now (Right now!)
24/7, 365 days, everybody gettin' paid (Go crazy!)
Niggas lookin' at me like I'm worth both MJ's
People saying, "'Ye, 'Ye, take it easy"
20 Gs for the Yeezys off of eBay
Niggas do the most and they ain't done shit
Only way I can sum it up, son bitch

Theophilus London

(Hands up, hands up)
Some want you dead, ayy, ayy ayy ayy
All day, nigga

Allan Kingdom

I took a young sweet breath, and I reached into my head
Gave him what I had left
At that moment I dispersed
At that moment I dispersed

Kanye West

Get low, alright
Get low, alright
What up? Alright, alright
Stay low, alright
Stay low, alright
South, south, south side, all day nigga

Paul McCartney

Well, well, well
Let me run (Let me run)
Let me run to see who came undone
You've been right in my face
Let me run 'til you're off my case
Whoa, whoa, whoa, whoa
Whoa, whoa, whoa, whoa
