

Lyrics: Anger Never Dies By Hooverphonic

See the leaves how slow they tumble down
Covering the green and yellow lawn
As proof of what has been and what will come
Enjoying hazy light of early dawn

It ain't good enough, good enough
Good enough to try and not succeed
Succeed

Anger never dies
It's part of life, it's part of you
The end will cease the fire
And make us accept we tend to lose

See the tears how slow they tumble down
Covering who believes in empty vows
As proof of what has been and what will be
Alcohol puts us both to sleep

It ain't good enough, good enough
Good enough to try and not succeed
Succeed

Anger never dies
It's part of life, it's part of you
The end will cease the fire
And make us accept we tend to lose

Anger never dies
It's part of life, it's part of you
The end will cease the fire
And make us accept we tend to lose

Anger never dies
It's part of life, it's part of you
The end will cease the fire
And make us accept we tend to lose

We tend to lose
