All i need is piece of mind and i'll be feeling fine  
Won't have to wait for you again  
So i took another on the chin  
But that's fine, you win  
Just remember who i am  
You were my best friend  
But things have changed and times have ended  
I will think fondly of you  
I've been looking at pictures that we had taken just last summer  
I pray that your faith remains strong and that you carry on  
With things that mean the world to you  
All i need is piece of mind and i'll be feeling fine  
Won't have to wait for you again  
So i took another on the chin  
But that's fine, you win  
Just remember who i am  
Feeling, touching a past in pictures time forgot  
I will think fondly of you  
You were my best friend  
But things have changed and times have ended  
I will think fondly of you  
I've been looking at pictures that we had taken just last summer
