Rita Ora:

I'm gonna love ya until you hate me  
And I'm gonna show ya what's really crazy  
You should've known better than to mess with me, honey  
I'm gonna love ya, I'm gonna love ya, gonna love ya, gonna love ya  
Like a black widow, baby

Iggy Azalea:

This twisted cat and mouse game always starts the same  
First we're both down to play, then somehow you go astray  
We went from nothing to something, liking to loving  
It was us against the world and now we're just fucking  
It's like I loved you so much and now I just hate you  
Feeling stupid for all the time that I gave you  
I wanted all or nothing for us, ain't no place in between  
By me believing what you say that you never mean  
Like it'll last forever but now forever ain't as long  
If it wasn't for you, I wouldn't be stuck singing this song  
You were different from my last but now you got a mirror  
But as it all plays out I see it couldn't be clearer, now sing

Rita Ora (Iggy Azalea):

You used to be thirsty for me  
But now you wanna be set free  
This is the web, web that you weave  
So baby now rest in peace

(It's all over with now)

I'm gonna love ya until you hate me (Right)  
And I'm gonna show ya (Show what? Show what?) what's really crazy  
You should've known better than to mess with me, honey (It's all over with now)  
I'm gonna love ya, I'm gonna love ya, gonna love ya, gonna love ya  
Like a black widow, baby

(Black-black widow, baby)

Iggy Azalea:

I'm gonna l-l-l-love you until it hurts  
Just to get you, I'm doing whatever works  
You have never met nobody that'd do ya how I do ya  
That will bring you to your knees, praise Jesus, hallelujah  
I'ma make you beg for it, plead for it  
Till you feel like you breathe for it  
Till you do any and everything for it  
I want you to fiend for it, wake up and dream for it  
Till it's got you gasping for air and you leave for it  
Till they have a cat scan on your mind and it's nothin' but me (on it, on it...)  
Now it's me time believe that  
If it's yours when you want it, I wouldn't promise I need that  
Till I'm everywhere that you be at  
I can't fall back, go quick  
'Cause this here is fatal attraction so I take it all or I don't want shh

Rita Ora (Iggy Azalea):

You used to be thirsty for me (Right)  
But now you wanna be set free  
This is the web, web that you weave  
So baby now rest in peace

(It's all over with now)

I'm gonna love ya until you hate me (Right)  
And I'm gonna show ya (Show what? Show what?) what's really crazy  
You should've known better than to mess with me, honey  
I'm gonna love ya, I'm gonna love ya, gonna love ya, gonna love ya  
Like a black widow, baby

(Bla-bla-black, black widow, baby)
