She may contain the urge to run away
But hold her down with soggy clothes and breezblocks
Cetirizine your fever's grip me again
Never kisses all do you ever send are full stops, la la la la

Do you know where the wilds things go?
They go along to take your honey, la la la la
Break down now, weep, build up breakfast now
Let's eat my love, my love, love, love, la la la la

Muscle to muscle and toe to toe
The fear has gripped me but here I go
My heart sinks as I jump up
Your hand grips hand as my eyes shut
Ahhh ahhh ahhh ah ah, ahhh ahhh ahhh ah ah

Do you know where the wild things go?
They go along to take your honey, la la la la
Break down, let's sleep, build up breakfast now
Let's eat my love, my love, my love, la la la la

She bruises, coughs, she splutters pistol shots
But hold her down with soggy clothes and breezblocks, la la la la
She's morphine, queen of my vaccine
My love, my love, love, love, la la la la

Muscle to muscle and toe to toe
The fear has gripped me but here I go
My heart sinks as I jump up
Your hand grips hand as my eyes shut
And ahhh ahhh ahhh ah ah, ahhh ahhh ahhh ah ah
Ahhh ahhh ahhh ah ah, ahhh ahhh ahhh ah ah

She may contain the urge to run away
But hold her down with soggy clothes and breezblocks
Germolene disinfect the scene, my love, my love, love, love
But please don't go, I love you so... my lovely

Please don't go, please don't go, I love you so, I love you so
Please don't go, please don't go, I love you so, I love you so
Please break my heart (Hey!)
Please don't go, please don't go, I love you so, I love you so
Please don't go, please don't go, I love you so, I love you so
Please break my heart, ah ha

Please don't go, I'll eat you whole
I love you so, I love you so, I love you so
Please don't go I'll eat you whole
I love you so, I love you so, I love you so, I love you so
Please don't go, I'll eat you whole
I love you so, I love you so, I love you so
Please don't go I'll eat you whole
I love you so, I love you so, I love you so, I love you so
Please don't go, I'll eat you whole
I love you so, I love you so, I love you so
Please don't go I'll eat you whole
I love you so, I love you so, I love you so, I love you so
Please don't go, I'll eat you whole
I love you so, I love you, so I love you so
Please don't go I'll eat you whole
I love you so, I love you so, I love you so, I love you so
