So you've come a long way
But you're never out late
Never had plans for a normal life
It's crime
Too busy earnin'
You can't get enough

Just busy earnin'
You can't get enough

You think that all your time is used
Too busy earnin'
You can't get enough

And I get it always
But I bet it won't change, no
Damn, that's a boring life
It's crime
Busy earnin'
You can't get enough

Just busy earnin'
You can't get enough

You think that all your time is used
Too busy earnin'
You can't get enough

Just busy earnin'

You can't get enough

You think that all your time is used
Too busy earnin'
You can't get enough

You think that all your time is used

Too busy earnin'
You can't get enough

Just busy earnin'
You can't get enough, no
Just busy earnin'
You can't get enough
