To the ball?  
You wanna take me?  
Ooh, alright

I feel like Cinderella, got me hopin', wishin'  
Ballin', ballin', ballin'  
Feelin' kinda mellow, my Prince Charming  
Calling, calling, calling

Feel like Cinderella  
You lucky, lucky fella  
Falling, falling, falling for you

Heaven must be missing an angel, for sure  
Cuz I haven't felt for a long time, this beautiful  
Someone who is my fall, my spring, my summer and my winter  
My all and only one  
My heart and very center

You get me head over heels for you  
Clouds of rain and the sun  
Water, stars and moon  
A zillion grains of sand  
A timeless love in bloom

Tick-tock, twelve o'clock  
Watch yourself, babe I got your love on lock  
Click my heels three times  
You're the only thing on my mind

Happy to be a holiday  
Here's our season to celebrate  
We can get down any time, any place, on any given day

You got me, boy you know you got me  
Unspeakable joy (Unspeakable joy)  
Is what you bring to me (You bring to me, oh)

I can't get enough

(Seems like I can't get enough, can't have enough, oh oh)

Showin' me how to dream again (Showin' me how to dream again)

Now I believe (I believe)

I believe in love (In, in love)

I feel like Cinderella
