So what became of loving men
and what became of you
Familiar eyes, you shook my hand
What was it you meant to do?
Because all could change the one
and all could change in this today
She said the devil will want you back
And you'll never find love in another man
Shut your eyes, so you'll see young girl
And know you'll always have this if it's needed back
She said the devil will want you back
And you'll never find love in another man
Shut your eyes, so you'll see young girl
And know you'll always have this if it's needed back
And no, this was not for my pride
I know this was my time
She said the devil will want you back
And you'll never find love in another man
Shut your eyes, so you'll see young girl
And know you'll always have this if it's needed back
So when nobody will take you back
And you'll never find love in another man
Shut your eyes, and you'll see young girl
You know you'll always have this if it's needed back
