Try...

Try to hear my voice

You can leave, now it's your choice

Maybe if I fall asleep, I won't breathe right

Maybe if I leave tonight, I won't come back

I said it before, I won't say it again

Love is a game to you, let's not pretend

Maybe if I fall asleep, I won't breathe right

Can nobody hear me?

I've got a lot that's on my mind

I cannot breathe

Can you hear it, too?

You kiss and you kiss

And you love and you love

You've got a history list and the rest is above

And if you won, you can't relate to me

From the floor to the floor

And the sky to the sky

You've got to love and adore and the rest is a lie

And if you won, then you can't relate to me

I said it before, I won't say it again

Love is a game to you, let's not pretend

Maybe if I fall asleep, I won't breathe right, right, right

Can nobody hear me?

I've got a lot that's on my mind

I cannot breathe

Can you hear it, too?

Leave your shoes at the door, baby

I am all you adore, lady

Come with me and we will run away

Can nobody hear me?
I've got a lot that's on my mind
I cannot breathe
Can you hear it, too?
Can nobody hear me?
I've got a lot that's on my mind
I cannot breathe
Can you hear it, too?
