

Lyrics: Hurting By Friendly Fires

i can feel in my body
chains on me are breaking loose
i can feel in my body
standing tall i make the rules

with the sun kissing my face
there's no way that i can lose
and to think that i crave your embrace
you're the one that's being you

i hear you say: i can't let you leave my life like this
i hear you say: don't leave, don't leave, don't leave

either way that i can't keep
feeling the pain of your touch
your touch keeps on hurting

gotta let this go
gotta feel some warmth of my own
your touch keeps on hurting

i can feel in my body
free from all the things you were
i can feel in my body
show me the way, show me the way

i hear you say: i can't let you leave my life like this
i hear you say: don't leave, don't leave, don't leave

either way that i can't keep
feeling the pain of your touch
your touch keeps on hurting

hurting this way...

either way that i can't keep
feeling the pain of your touch

your touch keeps on hurting
