

Lyrics: Intro (leaving) By Spooky Black

For more, visit: tablyrics.com

I was still there where you left me
Girl why the fuck your playing we were meant to be
Baby girl I know just what you going through
I wanna feel your body getting close to you
Run my fingers through you're hair
Making sure you're really there
Do you like it when I stare
Like you even fucking care
Like you even fucking care
(Hey, hey)
Like you even fucking care (oh)
