Talk about a man's lips, talk about a man's hands

Talk about a man's eyes

Talk about a woman's lips, talk about a woman's breasts

Talk about a woman's thighs

Those are things so beautiful

But is there more than physical?

Isn't love much deeper?

Write a song that's spiritual

Write about a lover's soul

Love flows much sweeter

Thank you for your tune to make love to

I heard it before (I heard it before)

Thank you for your love song Mr. Radio

Thank you for your lullabye

It makes love look so easy

Thank you for your love song Mr. Radio

Talk about bad times, talk about a sweet kiss

Talk about hot nights

Talk about making love, talk about naked love,

Talk about love lives

What about the crazy fights?

What about the sleepless nights?

What about a brotha's ego?

Write about the sacred vows

How do lover's work it out

There's much more than the tango

Thank you for your tune to make love to

I heard it before
Thank you for your love song Mr. Radio
Thank you for your lullabye
Makes love look so easy (so easy)
Thank you for your love song Mr. Radio

See I know sometimes lover's go crazy
A smile and some lingerie can't make it right
And I know some fights Mr. Radio can't block away
Thank you for..

Thank you for your tune to make love to
I heard it before
Thank you for your love song Mr. Radio
Thank you for your lullabye
Makes love look so easy
Thank you for your love song Mr. Radio
