Brought into this world on quite unfair terms  
Subject to abuse, with lessons to learn  
But noone to teach you, you're teaching yourself  
Misery and fear is all you've ever felt  
Left on your own - unfortunate soul  
Fend for yourself - in this world you're alone  
Screamed at and hit - treated like shit  
With noone to trust - neglect's all you get  
Beaten unconscious, a daily routine  
Nowhere to sleep, hungry, unclean  
Sift through the garbage and find your next meal  
This isn't TV, it's quite fucking real
