Never thought I'd have a moment like this  
All I want to feel is your kiss  
So many words on the tip of my tongue  
So many things that you should have done

Now it hurts that I want you to stay  
Nobody asked me if I was okay  
In six seconds I count 10 reasons to go  
Every day people tell me something else that I know

Yeah, nobody asked me what I wanted  
Yeah, nobody asked me

I tried to ask you but nobody asked me  
I tried to ask you but nobody asked me if I was okay  
Nobody asked me, nobody asked me if I was okay  
Nobody asked me, nobody asked me if I was okay  
No, no, no, no, no, no, nobody asked if I was okay

Shaking your head while I try to explain  
But you say you don't wanna hear me complain  
Just trying to get my point across  
You don't seem to care if I'm feeling lost

Right now it hurts that I want you to stay  
I can't understand why I feel this way  
All the friends I've ever had tell me go  
Every day I hear them saying something else that I know

Yeah, nobody asked me what I wanted  
Nobody asked me

I tried to ask you but nobody asked me  
I tried to ask you but nobody asked me if I was okay  
Nobody asked me, nobody asked me if I was okay

Nobody asked me, nobody asked me if I was okay  
No, no, no, no, no, nobody asked if I was okay

I hear a siren guiding me closer  
I hear its echo over and over  
And I tried to ask you, I tried to ask you  
I tried to ask but nobody asked

I tried to ask you but nobody asked me  
I tried to ask you but nobody asked me if I was okay  
Nobody asked me, nobody asked me if I was okay  
Nobody asked me, nobody asked me if I was okay  
No, no, no, no, no, nobody asked if I was okay  
Nobody asked me if I was okay  
No, no, no, no, no, nobody asked if I was okay
