When can we talk with the face
Instead of using all these strange devices?
Seems like you and I
Need to have a crazy conversation

Wouldn't be that hard, get along so well
Sentence by sentence
It's a trial run, let me show you how
Figure I can give you true affection

True affection
True affection
True affection
True affection

When can we talk with the face
Instead of using all these strange devices?
Seems like you and I
Need to have a crazy conversation

When can we talk with the face
Figure I can give you true affection
Seems like you and I
Need to have a crazy conversation

When can we talk with the face
Figure I can give you true affection
